UIA Philanthropy Fellowship

The UIA Philanthropy Fellowship is an in-depth, exclusive learning experience for up-and-coming philanthropists and leaders who have an impact on our community as well as a connection to Israel. The Fellowship is facilitated together with the Australian Jewish Funders - a network of Jewish funders inspiring effective philanthropy and strengthening the community.

The UIA Philanthropy Fellowship will explore trends in philanthropy, collective giving and community building to inspire emerging leaders aged 25-38 years. The Fellowship is designed to cultivate and develop empowered and skilled leaders and supporters of the future. Participants will learn new tools and strategies to become leaders amongst their peers and within the community.
